

<b>Team Number:</b>	<b>1</b>
<b>Names:</b>	<b>Catie Oerther, Hannajo Bradbury, Eli Amriott, Isabelle Hammond, Breanna Pederson, Jenny Burress.</b>

## Activity 9.4 Team Norms

### Team Norms

- If you're given a task, you should complete it.
- Communicate with the group if there is a problem or if you are unable to get your work done.
- Do your best. Don't wing it, do good on your work.
- We will share all our files on our shared Google Drive folder.
- Talk to the group (through Skype/group message) if you are going to edit a sketch that had previously been finished
- Let everyone share their ideas -- every idea is a good one.
- Talk to a group member individually (through text) if you want to edit their sketch.
- If skype does not work, we will communicate over our group chat.
- Be sure to check in with the group chat at least once a day during the school week.

#### \*Consequences

- If the norms are broken, you get a second chance. The leaders from both Kentucky and Minnesota will figure out how to fix the issue.
- If the norms are broken after you're given a second chance, the teachers will be informed and they will decide what to do from there.

- Read, understood, and agreed to by **Breanna Pederson** on **4/11/17**.
- Read, understood, and agreed to by **Isabelle Hammond** on **4/11/17**.
- Read, understood, and agreed to by **Jennifer Burress** on **4/11/17**.
- Read, understood, and agreed to by **Catie Oerther** on **4/11/17**.
- Read, understood, and agreed to by **Eli Amriott** on **4/11/17**.
- Read, understood, and agreed to by **Hannajo Bradbury** on **4/11/17**.
- Accepted by **Anderson** and \_\_\_\_\_.

# Gantt Chart

## 3. Conclusion (answer as a group)

1. What are team norms?

- **Team norms are guidelines to keep a group in check.**

2. Why do teams establish norms?

- **Teams establish norms so that everyone knows what is expected of them.**

3. What is consensus?

- **Everybody agreeing on rules or an idea.**

4. Why is consensus important in the development of team norms?

- **Because if everybody agrees, then it's a.) easier to come up with team norms and b.) everyone will follow them.**

5. What is the purpose of a Gantt chart?

- **It keeps us on task and keeps the project on schedule so we don't get far behind or lose track of what we are doing.**
